## Update Profile

Please make sure that the "First" and "Last Name(s)" are entered as they appear on your government issued photo ID that is required to start your exam. At the top of the page please enter your name and address using exclusively Latin characters (A, B, ... Z) [click for more information](#). If your ID contains special characters (such as 顔, 열, x, اسم) or specific accents (â, á, ã), kindly respond "yes" to the "Special Character" question located at the bottom of the page. This will enable you to input your name exactly as stated on your ID, so it can be confirmed at the exam.

Please note that if you are already registered for an exam or have previously taken an exam using this profile and wish to change your name, you must contact Brightest at [info@brightest.org](mailto:info@brightest.org). Please provide a copy of your photo ID and specify the reason for the name change.
